

Autumn 1 Home Learning Menu – Class 4

Maths

(You must complete this activity)

- Use Hit the Button to practise number bonds.
- Practise reading and forming numbers to 20
- Recall number bonds to 10
- Practice ordering numbers to 20
- Play on Numbots to practise maths skills

R.E.

Harvest/Jesus a friend to everyone.

- Look at food labels and find out where in the world the food in your cupboard has come from? Look on a map to see where it is?
- Draw a picture of one of your friends. Write why they are a good friend.

Science

- Complete a mini beast hunt and write down the habitat of each creature you find.
- Go on an Autumn walk. Take pictures and describe the changes you can see.

English - Reading

(You must complete this activity)

- Log on to Bug club and read a book and complete any challenges for it.
- Read to an adult daily.
- Make prediction part way through a story with a reason i.e. I think this because...
- Orally retell a story. Can you change a character? i.e Goldilocks and the three wolves!

Who would live in the woods?

Y1

Autumn 1

You must:

- Complete all the core activities above (Maths, Reading, Writing and RE).
- Select a minimum of two topic activities to complete. You can choose which activities you find the most interesting or be creative and generate your own!
- Homework books will be brought in on hand in date. Please photograph any other work and add to your child's seesaw.

English - Writing

(You must complete this activity)

- You will be sent spellings to learn every week.
- Write a sentence to describe a woodland setting

Geography

Continents and Oceans

- Ask family members which countries and continents they have travelled to. How did they get there? Have they got any photos to show you.
- Pick an animal who lives on a different continent. Write some facts about it.

Art

- Make a collage of Autumn leaves, conkers and acorns that you have collected on your walk for science.
-
