

# Autumn 1 Home Learning Menu – Class 4

## Maths

(You must complete this activity)

- Use Hit the Button to practise number bonds to 20.
- Practise reading and forming numbers to 100
- Practice ordering numbers to 100
- Play on Numbots to practise maths skills

## R.E.

**Harvest/Jesus a friend to everyone.**

- Look at food labels and find out where in the world the food in your cupboard has come from? Look on a map to see where it is?
- Draw a picture of one of your friends. Write why they are a good friend.

## Science

- Complete a mini beast hunt and write down the habitat of each creature you find.
- Go on an Autumn walk. Take pictures and describe the changes you can see.

## English - Reading

(You must complete this activity)

- Log on to Bug club and read a book and complete any challenges for it.
- Read to an adult daily.
- Make prediction part way through a story with a reason i.e. I think this because...
- Orally retell a story. Can you change a character? i.e. Goldilocks and the three wolves!

Who would live in the woods?

Y2

## Autumn 1

**You must:**

- Complete all the core activities above (Maths, Reading, Writing and RE).
- Select a minimum of two topic activities to complete. You can choose which activities you find the most interesting or be creative and generate your own!
- Homework books will be brought in on hand in date. Please photograph any other work and add to your child's seesaw.

## English - Writing

(You must complete this activity)

- You will be sent spellings to learn every week.
- Write three sentence to describe a woodland setting. Can you use joining words 'and, but and because.'

## Geography

**Continents and Oceans**

- Ask family members which countries and continents they have travelled to. How did they get there? Have they got any photos to show you.
- Pick an animal who lives on a different continent. Write some facts about it.

## Art

- Make a collage of Autumn leaves, conkers and acorns that you have collected on your walk for science.
