

Spring 1 Home Learning Menu – Year 6

Maths

(You may complete this activity)

- Make sure you know all your multiplication tables up to 12 x 12.
- Record where you can see or where you/family apply knowledge of fractions, decimals or percentages at home. Practise converting between all three.

English - Reading

(You may complete this activity)

- Read aloud to an adult at least three times a week, every week.
- Read a different Shakespeare play
- Research William Shakespeare and the Globe Theatre
- Log onto Bug Club
- Read your personal copy of Holes

English - Writing

(You may complete this activity)

- Write your own version of the witches' conversation. Write it as a poem if you can.
- Create a wanted poster for any of the Macbeth characters you feel are guilty.
- Write a playscript- from your imagination or watch a film and base it on that (don't forget to use stage directions)

R.E.

- Create your own plate of Passover food.
- Watch Disney's 'Prince of Egypt' (available on Netflix) which is a class film!
- Create a cartoon strip for the story of Moses and how he freed the Hebrew slaves.
- Document the plagues in some way- art/newspaper/diary entry

This is a selection of home learning activities. Ordinarily, we specify a minimum number to completed... this half term, this does not apply. It is a supplementary resource. What you can / want to do works for us!

Stay safe you lovely little people.

Computing/PSHE

- Create an e-safety poster for school.
- Record your digital footprint.
- Try yoga or meditation to help you relax.
- Meditate or try the breathing exercises we looked at in class.

Science

- Research famous people associated with scientific advancements in electricity for example Nikola Tesla or Thomas Edison
- Make a list of electrical appliances in your house- see if you can find one for each letter of the alphabet!

COVID OUTDOORS

These are just a handful of ideas... you will have other great ideas. Run them by your parents before you do them- some of these might not work for you or your gardens etc.

- Grow as a photographer- take interesting pictures of plants and wildlife outdoors
- Go camping in your back garden- perhaps after the snow has thawed!
- Listen to the sounds of nature
- Meditate
- Work on fitness- can you improve the number of press-ups/sit-ups you can do?

Art

- Draw a family member.
- Draw your feet- I know Frida Kahlo did this when she was injured as a child- it worked for her!
- Draw eyes
- Make a collage of your favourite drawings from around the world.
