

Safeguarding and Child Protection at St George's Primary

February Newsletter

On Thursday evening we held a safeguarding meeting for staff and governors. We took part in training led by Ben Holmes who is a Safeguarding Children in Education Officer. The training consisted of information on types of abuse, recording concerns, online safety, how to support families and much more. The training was fantastic and we look forward to further training later this year.

What are the signs of child abuse? NSPCC

The signs of child abuse aren't always obvious, and a child might not feel able to tell anyone what's happening to them. Sometimes, children don't even realise that what's happening to them is abuse. There are different types of child abuse and the signs that a child is being abused may depend on the type. For example, the signs that a child is being neglected may be different from the signs that a child is being abused sexually.

Common signs

Some common signs that there may be something concerning happening in a child's life include:

- ☐ unexplained changes in behaviour or personality
- ☐ becoming withdrawn
- ☐ seeming anxious
- ☐ becoming uncharacteristically aggressive
- ☐ lacks social skills and has few friends, if any
- ☐ poor bond or relationship with a parent
- ☐ knowledge of adult issues inappropriate for their age
- ☐ running away or going missing
- ☐ always choosing to wear clothes which cover their body

These signs don't necessarily mean that a child is being abused, there could be other things happening in their life which are affecting their behaviour – but we can help you to assess the situation. You may also notice some concerning behaviour from adults who you know have children in their care, which makes you concerned for the child/ children's safety and wellbeing.

If you have any concerns about the safety and/or welfare of a child of young person, telephone Children's Social Care on 0300 123 6720. You could also contact a member of the Senior Leadership Team by phone or by coming into school. If it outside the school please do not wait if you have concerns. Please ring Children's Social Care or the police if appropriate.

Child Friendly Safeguarding Policy

At St George's we want the children to know what to do if they are feeling worried and give them the confidence to talk to a trusted adult. We have worked with a group of children to devise a Child Friendly Safeguarding Policy. The policy is attached to this week's newsletter and we will be sharing it with the children over this half term. If you have any questions or suggestions for our Child Friendly Safeguarding Policy please don't hesitate to contact us. n.cook@st-georges.lancs.sch.uk
