Dear Parent,

St George's are excited to be using Pobble, a website that allows our school to publish our pupils' writing online.

It has taken a while to get all the classes up and running, but now we are all good to go! The only thing we need from you is your permission to publish _____ work.

Publishing our children's work on Pobble allows you to read the writing that your child is producing at school. Giving your child an audience for their writing provides them with a purpose, which we know will impact attainment.

You can even leave a comment on your children's writing to help inspire them even more. Children will also be able to leave comments on other pupils writing.

All comments are checked by the Pobble team before going live

What you need to do to give us permission to publish your child's work:

1. Review Terms and Conditions - See website www.pobble.com (A printed copy may be obtained from school if needed, please ask Miss Yates)

Why? We want to ensure you that the website is safe and secure for pupils to use

2. Provide us with an email address

Why? We want to let you know when your child's work is published, and we will send you a link to create an account. This will allow you to comment on your child's writing.

3. Visit Pobble.com

Why? An exciting way to engage in your child's learning journey

4. Sign the form below

Why? So that we have permission to publish your child's work.

Thank you for helping us to inspire our young writers. Please do not hesitate to ask your class teacher, or myself, if you have any questions

Yours sincerely,

Michelle Yates
