

Results of questionnaires to children 2022

(A cross-section of children were asked to complete the questionnaire from Y2 to Y6)

100% of the children knew what our school vision is.

80% said they use the school vision to help them with their school work.

87.5% said they think our school vision could help them outside school.

96% of the children felt they are part of and 'belong' to team St. Georges.

96% of the children felt safe to give their true opinion when teachers asked them questions.
