YOUR YEAR IN PE, SCHOOL SPORT & PHYSICAL ACTIVITY

The year 2021 brought us a step closer to a 'normal service' while continually adapting to new ways and trying to be as responsive to schools and children's needs while restoring school life. Overall, we have had a blast in delivering over **2000 hours of PE Lessons** to a near **7,500 pupils**, **2,300 happy riders** and a massive **10,000** appearances at competitions and festivals. A highlight was the Baton Relay, celebrating the Commonwealth Games and the Women's Euros Week made sweeter with a winning England football team.

We have seen the development of many new initiatives providing all year-round services like, the Holiday and Food Programme. Support our aim to reach more and different young people helping make a meaningful impact on their lives through positive experiences in PE and School Sport ultimately, to improve their health and happiness.
