

# Home Learning Menu - Class 1 and 2

## Maths

- Sing your favourite counting/number song i.e. five little ducks, 10 green bottles etc.

## R.E.

- Have you ever been to church?
- Do you know any bible stories?

## Communication and Language

- Play listening games such as 'Simon Says', take turns with an adult.
- Talk about school and what you're looking forward to.

## Personal, Social, Emotional Development

- Tell us about something that makes you happy.
- What feelings do you know?

These activities are designed to help us know your child better to ease their transition into school. They help us plan for provision and our topics based on the children's interests and what is important to them.

## Reading/Writing

- What is your favourite story and why do you like it?
- Can you recognise and write your name?

## Understanding the world

- Tell us about the special people in your life (*please send a photo in, so we can display these in school on our class family tree and discuss during the transition period*).

## Expressive Art & Design

- Draw or paint a picture of yourself/your family.
