Dear Parents, Carers and Guardians,

A warm welcome to St Georges CE Primary School, I am delighted that you have chosen to send your child to our school and I look forward to working with you over the next seven years. I am writing to you to invite you to a meeting in school on Thursday 25th May 2023 at 7.00 pm. **Ideally this meeting is not for children;** they will be visiting us in July. Further details of the July visit will be shared at the meeting.

For those of you who don't know me, let me introduce myself. I'm Andy Purcell, and I'm the Executive Headteacher of St Georges CE Primary School, and Wrightington Mossy Lea. Most of my time is spent at St George's, and I am surrounded by a wonderful Senior Leadership Team – Michelle Johnson and Nic Cook, who are Assistant Headteachers who rotate as Head of School when I'm at Mossy Lea, and Rob Horne who is also an Assistant Headteacher, and leads us in the training programme we run for trainee teachers.

I hope you're as positive and excited about joining us at St George's as I am. St George's is genuinely a phenomenal school; full of caring professional staff, and equally enthusiastic children. School is an oasis of calm where excited children thrive – educationally, spiritually, and mentally.

The information evening will be an informal gathering, but a very important one, as we will be discussing details and procedures about your child starting school in September.

It will be an opportunity also for you to meet myself, and the rest of staff, who will be working with your children as they begin their formal education with us here at St Georges CE Primary School. You will also be able to meet people who run our After School Club and Breakfast Club, School Kitchen and PTFA.

I assure you of a wonderfully warm welcome to a wonderful school and that working in partnership with you, your child will thrive with us. Thank you very much for your application to join us at St George's – you have placed your trust in us of your most treasured possession. A trust that I, and all staff will take seriously over the coming years. That's a promise.
