

Autumn 1 – Year 5 Home Learning Menu

Maths

- Complete the weekly MyMaths activities.
- Keep practising times tables on TT Rockstars.

R.E

- In your homework book
 - Explain how you know the Bible is a special book
 - Find out about special/favourite books for your family. Why are they special to them?

Science

- Find and carry out some investigations about forces e.g. make a paper aeroplane and see how far it can fly. How can you change the shape to reduce the air resistance? Plan a full investigation with a prediction, materials, method, results and conclusion.

English

- You will be sent weekly spellings to learn every week which will be test on the following Friday.
- Read your school reading book every day to an adult. Remember to record what you read in your reading record to earn certificates.

You must:

- Complete all the core activities above (Maths, English, one RE activity and one Science activity).
- Select a minimum of 1 other topic activity to complete. You can choose which activity you find the most interesting or be creative and generate your own!

HOMEWORK DUE: Monday 16th October

History

- Create and design a model of an invention from the Industrial Revolution. Take a photo of this and put it on SeeSaw!

Geography

- Take a walk around Chorley. What human features still remain from the industrial revolution? Take pictures and post them on SeeSaw.
- Compare a map of Chorley from 1890 to a modern day map of the town (larger copies of the attached maps are on SeeSaw). What has changed?

Art and Design

- Create a painting in the style of LS Lowry.
