

Autumn 1 Home Learning Menu – Class 4

Maths

(You must complete this activity)

- Weekly MyMaths task- see red digital booklet for log in.
- Practise forming numbers correctly- this could be ensuring 2 digit numbers are written in the correct order for Y2.

Who would live in the woods?

Hand- in: Monday 16th October

Sharing date: Friday 20th October

English

(You must complete this activity)

- Practise spellings- check seesaw for lists.
- Read to an adult daily.
- Find a book related to our topic to read at home. You could bring it in to show the class.

R.E. (You must complete this activity)

- Draw a picture of one of your friends. Write why they are a good friend.

Geography

Continents and Oceans

- Make a picture/collage/model of an animal who lives on a different continent. Write some facts about it.

Science

- Go on an Autumn walk! Take pictures and describe the changes you can see.

Autumn 1

You must:

- Complete all the core activities above (Maths, English and RE).
- Select a minimum of two topic activities to complete.
- Please photograph any large pieces of work and add to your child's seesaw.

Art

- Make a model of a woodland animal – you could use play dough, clay, lego etc.
