

Class 6 Curricular Letter

Autumn 2

Dear Parents

I would like to take this opportunity to say thank you for all of your support since the start of term. The homework the children brought in and that which was shared on Seesaw was fantastic. It is great to see so many of the children accessing Spelling Shed, TT Rock Stars and My Maths at home. These are fantastic resources to support children with their learning.

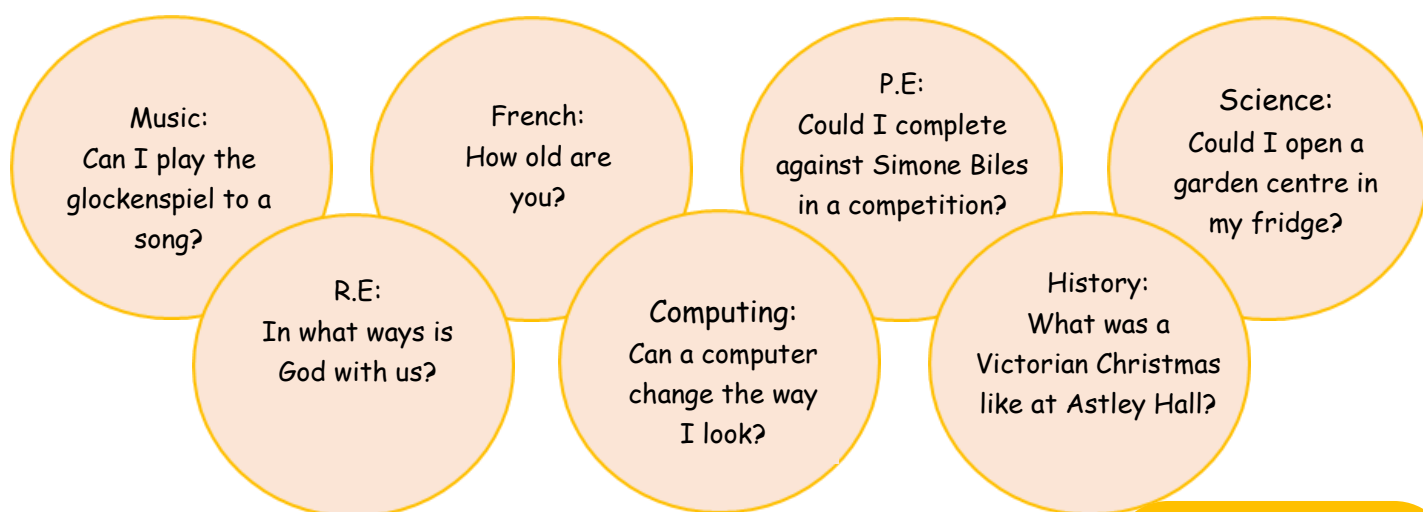

The children have all settled into Year 3 extremely well and I am incredibly proud of how hard they have worked. They rounded off the last half term with a fantastic visit to church and their wonderful performance in their Harvest worship in school.

I am looking forward to an exciting new half term with the children continuing to show their confidence and determination in all of their work. This half term ahead is again very busy and packed full of challenges and opportunities for the children to enjoy as they learn.

Mrs Turner will continue to teach the children as they do PE and Art on Wednesday afternoons.

As always, if you have any questions or concerns please do not hesitate to contact me.

The Half Term Ahead:

Days to Remember:

Wednesday

Mrs Turner will be teaching the class in the afternoon.

Wednesday

Children may come to school dressed in their PE kit.

Friday

Spelling and times tables tests.

New spellings and times tables given out.

Please remember to send a healthy snack for breaktime, if you wish.

Class 6 Curricular Letter

Literacy

We will be looking at Folk Tales this half term, in particular, The Tin Forest. The children will explore a range of Folk Tales in school. You can help your child at home by reading Folk Tales together at home.

While we read, we will be looking at prepositions (e.g. above, beyond, under). Later in the term, we will look at shape poems as we move into the festive season. We will be reading and analysing poems in order to plan and write our own.

Reading

Your child will take part in a guided reading lessons throughout the week. In these lessons, they will respond to a range of activities from a chosen text. Our first book this half term is called The Butterfly Lion by Michael Morpurgo.

Your child will change their reading book whenever they need to. They will be given a chance to change their book every morning. It is your child's responsibility to change their book, however if you feel this is not being done please get in touch.

Please encourage your child to read to you every night at home.

HOMEWORK DUE IN: Monday 18th December

Many thanks,
Mrs Andrea Miller

Mr Andy Purcell
Class 6 Teacher
Executive Headteacher

Maths

This half term, the children will be focussing on subtraction followed by multiplication and division. We will be using our times table knowledge to help answer word problems in real life situations. The children will also read, discuss and work through a range of word problems throughout their Maths-No problem! Workbook.

Please assist your child at home with their rapid recall of times tables. The children will all have access to Times Tables Rockstars which will help in this area. The children would particularly benefit from learning their 2,3,4,5,8 and 10 times tables

Homework

Homework will be set for the half-term in the 'Home Learning Menu' which contains ideas for many areas of the curriculum. All English, Maths and one RE task, plus any other two choices, must be completed. Please do join in with helping and supporting your child as they work on these tasks.

Notes for Parents

Your child can come to school in their PE kit each Wednesday.
Children are encouraged to bring in a water bottle which must be taken home at the end of each day.

Times Tables and Spellings

Spellings will be sent home each Friday for a test the following week. Please practice these at home as much as possible. They will be set on Spelling Shed and send home too.

In addition to spellings each week, we will also be having a times tables test on a weekly basis.
