

Autumn 2 Home Learning Menu - Class 6

Maths

You must complete this activity.

- Complete My Maths activity weekly online.

English - Writing

You must complete this activity.

- Practice your spellings every week for your spelling test each Friday.

English - Reading

You must complete this activity.

- Read your school book every day.

R.E

You must complete this activity.

- Can you design a Christmas card with a nativity scene which shows God's presence?

Each English and RE activity must be completed and MyMaths tasks must be completed weekly.

Complete a minimum of two other activities.

You can choose which activities you find the most interesting or even create your own activities to fit in with our learning.

Science

- You could plant two seeds, one inside the house and one outside the house. Measure them every week and see which one grows the best.

Art

- Can you create a Christmas piece of Art work in the style of Frida Kahlo?

Homework is due in on Monday 18th December

Homework share is on Friday 22nd December.

History

- Find out about Christmas traditions the Victorians introduced.
- You could make a Christmas Cracker.
- Be creative by making a picture or model of a Christmas tree.

PE

- Can you create fact file on Simone Biles?
- Can you create a gymnastic routine using the skills we have learnt in PE?

Homework is due -Monday 18th December

Homework share - Friday 22nd December
