

Home Learning Menu – Year 5

Science – Earth and Space

- Spend the next month getting to know the moon. Keep a moon observation journal - use the resource handed out.
- Create a 3D model of our solar system to help you describe the relationship between the planets and the Sun.
- Design an information poster about the different planets in our solar system.
- Design the Moon Rover of the future.
- Explore the phases of the moon.

Art

- Create a Space themed painting, print or collage. Try to explore with complimentary and contrasting colours.

Maths

(You must complete this activity)

- Complete the MyMaths activities.
- Continue to practise timestables recall on TT rockstars

Spring 2

You must:

- Complete all the core activities above (Maths, English and RE).
- Select a minimum of 2 topic activities to complete. You can choose which activities you find the most interesting or be creative and generate your own!

HOMEWORK DUE: 25th March 2024

CELEBRATION DATE: 28th March 2024

English

(You must complete this activity)

- You will be sent weekly spellings to learn every week which will be test on the following Monday.
- Read your school reading book every day to an adult. Remember to record what you read in your reading record to earn certificates.

R.E. – Easter, a celebration

- Write a prayer that reminds us to live as Jesus taught us. Decorate it in your book.
- Read the story, *The Lion, the Witch and the Wardrobe* by C. S. Lewis or use clips from the film. Compare the novel and the Easter Story/Christian beliefs. Consider: relationships, forgiveness, self-sacrifice, good conquering evil, courage and death and resurrection.
- Design and make an Easter card linked to Holy Week.
