

Spring 2 Home Learning Menu - Class 6

English

You must complete this activity.

- You will be sent spellings to learn every week which will be tested on the following Friday.
- Log on to Spelling Shed and practice your spellings for the Spelling Test.
- Read your school book every day to an adult. Remember to record when you read in your reading record.

Maths

You must complete this activity.

- Complete the weekly MyMaths activities.
- Practise your times tables. This half term, we will be focusing on the multiplication facts and division facts for times tables we have already been learning.

Each Maths, English and RE activity **MUST** be completed weekly, we have tried to reduce this so that it is easier for families to manage.

All other subjects are **OPTIONAL**. You may also choose to do another piece of work related to an area of learning.

Homework due - Monday 25th March

Homework share - Thursday 28th March

Science

- Can you think of any games that use the forces of pushing and pulling? Draw and label them explaining how they work using the forces.
- Use a magnet and explore how many items in your house are attracted to the magnet. Choose a way to present what you find out.

Can I read the Iron Man's mind?

Geography

- You may want to make your own model of the water cycle. You could draw it, create a 3D model or maybe use Lego!
- Don't forget to label each process.

R.E

You must complete this activity.

- Can you investigate how people in Malta and Ethiopia celebrate Easter?
- Can you create a piece of Art work showing the joy or sadness of Easter.

PE

- Can you create a ball game using different types of passes?

French

- Can you draw a picture of a pet or other animals you like? Label them with their names in French.
