

Home Learning Menu – Class 8

Maths

(You must complete this activity)

- Complete the weekly MyMaths activities.
- TTRS (20 minutes per week)

English

- You will be sent weekly spellings to learn every week which will be test on the following Friday.
- Read your school reading book to an adult. Remember to record what you read in your reading record to earn certificates.

R.E.

- Draw pictures in a storyboard to show the Easter story from Palm Sunday through to Easter morning.
- Research ways that Easter is celebrated around the world and think of a creative way to share what you have found out.

DT

- Have a go at making your own healthy burger – take or draw a picture and label it.
- Research food packaging before designing and making a burger box.

Science

- Find some items in your home and group them into solids, liquids and gases.
- Research or investigate the freezing and melting points of different substances – water, chocolate, oil, honey, mouthwash – things you would find in your home.

You must:

- **Complete the English and MyMaths.**
- **Complete at least one RE activity.**
- **Select a minimum of two topic activities to complete. You can choose which activities you find the most interesting. Be creative and have fun!**

Hand in date – Monday 25th March
Celebration date – Thursday 29th March

Geography

- Research a state in the USA. Compare it to the UK – size, population, weather, landscape, food, languages. Present your learning in a creative way – maybe a PowerPoint or a leaflet?
- Create a 3-D model of North America.

Music

- Practise playing your ukulele every week. Think about what you have been taught in you in your weekly lessons. Record yourself and upload in onto Seesaw.
