Headteacher:		

## **Teacher Vacancy (12 month contract linked to Maternity Leave)**

St George's CE Primary School is a stunning one and a half form entry Primary School; traditional in its approach to Primary Education, yet recognised by Central Government as a 21st Century National Leader in Primary Education. St George's was quite justly judged as Outstanding by Ofsted at our last inspection, and by the Diocese – and this recognition did nothing more than inspire and motivate us to do even better. That said we are working hard to improve the quality of teaching at school, and as such will only appoint a candidate who is exceptional.

We are proud to be a leading Church school in Lancashire, we pride ourselves in having the most amazing, committed team of professionals who strive to achieve the highest standards possible within an environment of Christian love and care. Our vision 'to be determined and confident as God will be with you as we learn care and share, through work play and prayer. This ensures that all our children are able to experience high levels of self-esteem gained through achieving their personal potential.

St. George's is also an Outstanding School, with extremely high standards situated close to the centre of Chorley that delivers our own Teacher Training Programme. We are vastly oversubscribed and currently have 315 children on roll. Through our Teaching School we offer an impressive programme of CPD both for the role of class teacher, and subject leader.

In 2019, a formal collaboration was agreed between Wrightington Mossy Lea Primary School and St. George's Church of England Primary School. This collaboration provides benefits to both schools. It allows the sharing of great professional practice, effective use of staff and opportunities for professional development. Following the collaboration in 2019, Wrightington Mossy Lea was graded as a good school by Ofsted.

As stated above, we are looking for an outstanding, full time temporary teacher to join our established and dedicated team and help raise standards at St. George's, from September 2025. You will teach in year 1. Our staff are dedicated, determined and confident with great generosity of spirit and we are very proud of our school. You will see learning as all encompassing, not just something that happens in the classroom. You will be dynamic, energising and intense in your teaching.

It is desirable, but not essential that the candidates are practising Christians, however, they must support the Christian ethos of the school, 'to be determined and confident, as God will be with you, inspiring us to learn, care and share through work, play and prayer.'

The children in the school are delightful, and would like a teacher who will, "make our learning fun, and enjoyable and help us achieve our full potential."

You will need to provide a letter, no more than two sides of A4, detailing your suitability and enthusiasm for this position, and complete a diocesan application form, which can be downloaded by [clicking here](#). Further application about the post can also be found from the link.

**This application letter, and application form** must be emailed to [head@st-georges.lancs.sch.uk](mailto:head@st-georges.lancs.sch.uk). Paper copies will not be accepted.

If you have any further queries with your application, do not hesitate to contact the Bursar at

"Be determined and confident as God will be with you", inspiring you to "learn, care and share through work, play and prayer". *Deuteronomy 31:6*
