Split the cost options!

Your deadline date to register is: 05/02/2026

Max 23 per club, first come, first served! Thank you!

Moving Motion
Learn about the science of movement. Your mad scientist will show you amazing forces. Learn about gravity with a trick you can try at home!

Energy Burst
Ever wondered where energy comes from? Well, you will soon find out! We will race rubber band cars, play with catapults and bouncing toy activity!

Light Fantastic
Do you know what LASER stands for? in this brilliant session you can bend light, see a laser light show, explore UV light and view diffracted light through our diffraction glasses!

Acids and Bases
Shine pennies, balance acids and learn all about indicators with lots of fun experiments. Learn to test pH with indicators and paper. Wow your friends about the PH levels of the things in your own kitchen.

Space...The Final Frontier
Fly off into space with this exciting look at our solar system. Learn about planets, stars and what happens when meteorites strike the Earth! Name a galaxy of your making!

Matter of Fact
Take a look at everything around you and see what it's made of! Constructing & deconstructing molecules to make polymers!
