

Spring 2 Home Learning Menu - Class 6

English

You must complete this activity.

- You will be sent spellings to learn every week which will be tested on the following Friday.
- Log on to Spelling Shed and practice your spellings for the Spelling Test.
- Read your school book every day to an adult. Remember to record when you read in your reading record.

Maths

You must complete this activity.

- Practise your times tables. This half term, we will be focusing on the multiplication facts for the 8 times table. We will also begin to derive division facts for times tables we have already been learning.

Each Maths, English and RE activity **MUST** be completed weekly, we have tried to reduce this so that it is easier for families to manage.

All other subjects are **OPTIONAL**. You may also choose to do another piece of work related to an area of learning.

Homework due - Monday 23rd March

Homework share - Friday 27th March

Science

- Can you think of any games that use the forces of pushing and pulling? Draw and label them explaining how they work using the forces.
- Can you use a magnet and explore how many items in your house are attracted to the magnet? Choose a way to present what you find out.

What secrets give the Iron Man his power?

Geography

- Visit a local river to look at the features. Draw the river and label the features you have seen.
- Create a model of the river showing the features you know about.

R.E

You must complete this activity.

- Can you find out how people in another country celebrate Easter? (eg Malta and Ethiopia)
- Can you create a piece of Art work showing the joy or sadness of Easter?

PE

- Can you create a ball game which involves different types of passes: a chest pass or a bounce pass?

French

- Can you draw a picture of a pet or other animals you like? Label them with their names in French.
