

Spring 2 Home Learning Menu – Class 5

Maths

(You must complete these activities)

- Practise the 2, 5 and 10 times tables. You could use Times Tables Rockstars (username and password is in your red booklet) or BBC Super Movers
<https://www.bbc.co.uk/teach/topics/cnep90jwjj7t>

English - Reading

(You must complete these activities)

- Read your home reader book with an adult every day. Remember to ask your adult to write in your reading diary to earn certificates!
- Go on Bug Club to access more fantastic books.

English - Writing

(You must complete these activities)

- Practise your spellings at least 3 times a week using some of the strategies we have learned: triangle words, colourful words or sticky note spelling.

R.E. - Lent & Easter

(You must complete these activities)

- Write (or record on Seesaw) about one thing you are going to do this Lent to make a positive difference, for example, making a big effort to share with your brother or sister. How did it make you feel when you did it?
- Draw a story map of the Easter story. What symbols will you use?

Science - Animals including humans

- Observe how different animals grow. You could take photos or draw pictures of what you see. Can you complete a life cycle for that animal?
- Can you create a table naming animals and their offspring? Are their babies born live or from an egg?

You must:

- Complete all the core activities above (Maths, Reading, Writing and RE).
- Select a **minimum of two topic activities** to complete. You can choose which activities you find the most interesting or be creative and generate your own!

Hand in date: **Friday 20th March 2026**

Celebration: **Monday 23rd March 2026**

Geography - Looking after our world

- Do something to take care of our world. Take a photo of what you have done. For example, you might litter pick, plant bee friendly flowers in your garden (ask at the garden centre) or recycle some used milk cartons.
