

Summer 1 Home Learning Menu - Class 7

English

- You will be sent spellings to learn every week which will be tested on the following Friday.
- Log on to Spelling Shed and practice.
- Read your school book every day to an adult. Remember to record when you read in your reading record.

Geography

- Research the Tropic of Cancer and the Tropic of Capricorn. Present your findings as creatively as you can.

Science

Please check your Year Group!

- **Yr3** Create a poster all about mirrors and reflective surfaces. Explain what a mirror is, why it reflects light so well, and how they can be useful. Add some helpful diagrams and illustrations.
- **Yr4** Make and play your own musical instrument. Upload a recording of you playing your instrument onto Seesaw!

Maths

- Practise your times tables.
This half term, **Year 3 will be focusing on division facts for the tables already covered.**
Year 4 will be focusing on 9 and 11 times tables and recapping all of the times tables in readiness for the timestable check in June.
These will be tested every week (like spellings) so that you can keep up to date with how your child is progressing with their times tables.

R.E.

- Make a model or draw a picture of an artefact which can be found in a church or place of worship. Be sure that you can tell me all about it!

Computing/Geography

- Choose a country which takes part in the Eurovision Song Contest (not the UK). Create an information leaflet all about the country using Purple Mash.

Design and Technology/Art

- Design and make a new flag for a country. Think about your design and what it represents in your chosen country. Can you use different techniques eg. printing, dyeing, weaving and stitching to create different effects?

Are we still actually part of Europe?

You must:

- Complete the English and RE homework.
- Practice your times tables using TT Rock Stars
- Complete a minimum of two other activities.
- You can choose which activities you find the most interesting or be creative and generate your own!
