

Maths

(You must complete this activity)

- Create your own Islamic pattern using *Geometry* from our maths lessons.
- Go on TT Rockstars.

English

(You must complete this activity)

- Read aloud to an adult at least three times a week, every week.
- Practise your lines for the production using intonation, tone and volume. Look at the stage directions in brackets around your lines.

PE

- Practise throwing and catching with someone at home. This will help you in your cricket unit this half term!
- Make an obstacle course in your garden. Make it as wacky as possible and time/film/take pictures of your family members completing it!

You must:

- Complete all the core activities above (Maths and English).
- Complete the RE activity.
- Complete a minimum of two other activities.
- You can choose which activities you find the most interesting or be creative and generate your own!

Hand- in date: Monday 13th July 2025

History

- What did the Greeks ever do for us? Make a list of things that we have in our lives that come from the Ancient Greeks.
- The Greeks invented Democracy. Why not remind yourself about our trip to Parliament by watching a debate on BBC Parliament? Tell me what they debated and what you thought about it.

Music

The songs for the production are now on SeeSaw - get practising!

R.E.

- Draw an image of what God or who God is to you.
- Make a collage of things that inspire you from creation - this may be natural things from the garden or pictures of things that make you say WOW!

Leavers

- Create a scrapbook of your favourite memories/experiences from St George's.
