

Summer 2: Home Learning Menu – Class 1 and 2

Maths

(Core activity)

- 'Odd' and 'even' numbers. Play games involving grouping and sharing. How do we know when a number is odd? How do we know when a number is even?
- Keep practicing number recognition to 10, challenge to 20. Simple addition by adding two groups together and then explore taking away.

Reading

(Core activity)

- Try making a prediction while reading, discuss what you think the characters may do and why?
- Can you make connections to stories you've read before or places you've been. For example, like the story of Tiddler; has there been a time when you may have visited a beach?

Writing

(Core activity)

- Keep practicing forming recognisable letters correctly i.e. starting and finishing in the correct place.
- Think of the tricky words you have learnt, try writing them in a sentence with their correct irregular spellings.
- Write some silly sentences to match the pictures

R.E.

(Core activity)

Prayer and Special Times

- When are your special times?
- How are special times celebrated?
- What makes time special?
- Where do people go for their special times of prayer?

Under the Sea

Try your best to:

- Complete all the core activities above (**Maths, Reading, Writing and R.E.**)
- Select **one other topic activity** to complete. You can choose which activities you find the most interesting or be creative and generate your own!

Hand- in date: **Friday 10th July** this gives us time to look at books and write comments before we celebrate as a class on: **Wednesday 15th July**

However, if your child creates any models, or creative work, they'd like to share during the half term we can display it in class.

Understanding the world

(Topic activity choose one)

- Can all sea animals breathe underwater?
- How many oceans are there?
- What can we do to help protect our oceans?

Personal, Social and Emotional Development

(Topic activity – choose one)

- Talk about something that you have learnt how to do e.g. learning to swim, ride a bike, read etc.
-How did it make you feel when you were first able to do this thing?
-How does it feel to achieve something you have worked towards?
- Talk about your favourite Reception memory 😊

Expressive Art & Design

(Topic activity – choose one)

- Create a sea animal or underwater scene using materials of your choosing. This could be out of recycled materials such as cardboard or paper, or you could use other materials such as playdough, Crayola magic, paint.
