

Autumn 1 Home Learning Menu - Class 5

Maths

(You must complete these activities)

- Practise your number bonds to 10, 20 and 100.
- Go on Hit the Button to practise lots of maths skills.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

R.E.

- Do you know any New Testament stories? Can you illustrate one of them? (eg build a model, act out a puppet show to retell it or draw a cartoon).

Science

- Look for a range of different materials in your home.

Describe the properties of the materials that you find. Are they hard, soft, dull, shiny, waterproof?

English - Reading

(You must complete these activities)

- Read your phonics book or home reader with an adult every day. Remember to ask your adult to write in your reading diary to earn certificates!
- Go on Bug Club to access more fantastic books.

You must:

- Complete all the core activities above (Maths, Reading, Writing and RE).
- Select a **minimum of two topic activities** to complete. You can choose which activities you find the most interesting or be creative and generate your own!

Hand- in date: **Friday 16th October**
Children will have the chance to share and celebrate their work on **Monday 19th October**.

English - Writing

(You must complete these activities)

- Practise your spellings at least 3 times a week.
- Can you use chalk, coloured pencils or felt tips to help you practise them or draw a picture of the word?

Geography

- Go to Astley Park, Duxbury Woods or for a walk by the canal with your family. Take some photographs or draw a picture.
- Label the human (made by people) and physical (created naturally) features that you can see.

Art & Design

- Draw, paint or create a collage of your own beach setting.

Think about the colours and shapes that you would see. Is your picture at night or during the day? How would this change the colour?
