

Festive Card Competition

We want you to design the official Purple Mash festive card for 2018!

Just log in to Purple Mash and use 2Paint a Picture to design your card - pick any painting style you like. When you are done, save your work and submit it to the competition display board for your age group.

Everyone is welcome to enter the competition; your design can reflect whatever this time of the year means to you.

Make sure you submit your work by **November 25th 2018**.

The Winner

Your design will become the official Purple Mash festive card! Plus, we'll send you 50 copies of the card and a t-shirt with your design printed on it.
