### Back To School 2020 – COVID Update

Hello! We hope everyone is doing well in these particularly unusual times.

If you have a child due to start Reception class in their Primary School journey this September, please do not worry about getting their school uniform. We have put some new systems in place to enable you to order your child's new school uniform remotely.

We currently have two options:

- Video Call Fitting Appointments (via WhatsApp)
- 'D-I-Y' measuring / fitting guides

For the video call appointments, you can book an appointment online and we will call you at your chosen time slot. Please be sure to have a flexible/fabric tape measure ready. We will talk you through everything, and we will allow for growing room as always, so please don't worry!

Alternatively, we have put a link to our measuring guide on our home page, and a form which can be submitted online or emailed to us, if you would rather 'Do-It-Yourself'. If you choose this method please measure your child *as they are today*, **without** growing room. We will adjust the sizes accordingly; we are used to doing this so please don't worry.

For more information, to book an appointment or to access the self-fitting guide,

please visit our website at [www.jadauniforms.co.uk](http://www.jadauniforms.co.uk). We will run through what will happen next with regards to getting the uniforms to you etc. on the video calls, but if you have any questions or need any help at all please feel free to email us at the above address and we'll get back to you as soon as possible.

We would like to take this brief opportunity to thank all essential workers for everything you are doing for us – thank you very, very much!
