

SEE THE GRAPEVINE

MONDAY 4 May 2020 IIII· V · MMXX

Well, how you all doing!? It's May. We've ran. The sun's out—things could be much worse. We're in a routine now, we're communicating. We've got this! Easy! Can I ask please that you don't send fairy friends in with the kids.... I guess as we're trying to be mega stringent on cleanliness.... So kids, give your teddies a hug at the door, send them on their way, and they can come back and pick you up at home time! Is that ok?

As the week unfolds, it looks as though we will be closed on Friday—you're all covered! But if you need us to open, just email help@ or ring/text me and we'll open! That said, humorously I'm doing 4 assemblies—it is VE day after all! They'll be carnage, on zoom, but it will be lovely to see those kids who join us! The details are on the next page. I know I've released the passcodes... but for this assembly, I don't think it matters.... I'll be able to see everyone! It will be a proper assembly... I'll mute all the kids during it I think, have a chat.... Share my screen of powerpoint, then unmute whilst we sing and pray! It should work fine.... There isn't enough capacity for the infant one if everyone wants to join, but I can't see that—if you're unable to get in, just try another one.... All the assemblies will be the same! Let's just see how it goes! (PS There'll be no story time on 8th May)

The assemblies are a result of VE day, to enhance the VE day celebrations you're invited to bake a cake.... It's just a cakeathon. If you want to! You can enjoy the cake during assembly, and please, post your products on Facebook! In addition, staff and kids at day stay are busy creating some art work for on the muga boards, so really school should be perfectly placed to remember the sacrifices of many during the war, and it should provide a lovely focal point for thought and prayer for the local community on VE day.

Just a point of note re the gazeebos you lent us at the start of lockdown. I know many have got damaged, 1 got stolen.... Don't worry. We will replace fully new for old. Whenever you want to send me a text, or email help@ letting us know how much a replacement is and we'll send you the money over straight away, or order one for you, and get it delivered. And once again, many many thanks for the initial loan.... It helped us out loads, and meant that we can be outside all of the time during day stay.

Take care folks

Andy xx

Assembly 1 Mossy Kids

Meeting ID: 851 9986 8078

Password: 765919

Assembly 2. 11.00am for classes 1-4

Meeting ID 856-9039-9547

Passcode. **216191**

Assembly 3. 1pm for classes 5-7

Meeting ID 883-7523-6473

Passcode. 105891

Assembly 4. 2.30pm for classes 8-10

Meeting ID: 822 8096 1192
